

THORNTON CLEVELEYS & DISTRICT HORSE CLUB

Dear Members,

I am sure you are all wondering what is going on at TC&DHC.

The AGM has been postponed until we can hold a meeting at which your views and suggestions can be discussed.

The Showfield – from the road, looks like it would not be possible to hold a show. I hold regular meetings with the Engineer on site and together we try to minimize any disruption to the operation of the Club. No site work is carried out on Saturdays or Sundays. Adequate access to the showfield, office and canteen has been allowed for in the layout of the compound but car parking will be very limited.

The large heap of soil and surrounding fence has been positioned on an area previously used for viewing. This will have little effect on the general parking areas for trailers and boxes.

A revised layout for rings 3,4 and 5 will be needed but it is anticipated that the existing sizes will be maintained.

Despite Covid restrictions, planning for the season is still ongoing and a further progress report will be issued at the end of March.

In the meantime enjoy your horses, continue to take care and look forward to resuming the shows at TC&DHC.

Kind regards,

Tony Chairman

If you have already received your copy of this letter by mail, please note the change of the wording in the paragraph beginning – “The large heap”
Please pass this information onto any other members you meet.
